### Paint Night

**A Fundraiser \$15**

**Caring for God's House --  
Together**

**Friday, Dec 9, 6-8:30pm**

Invite your school friends, neighbors & family for an evening of painting snowmen! Regardless of talent or experience it's guaranteed to be fun with many laughs, conversation, and a light meal.

At the end of the evening you take home the snowman you painted on canvas, plus ample memories of conversations, and fun.

# Caring for God's House

## Our Pilgrimage through Time

Many were the wonderful, caring Christians who created and sustained this church community that we now enjoy! It began with 85 households and help from Presbytery; Rio Rancho Presbyterian Church was built to serve members, friends and the community. We continue that work with about 200 members and are open to all!

**But our beloved church building is now over 35 years old!** And our annual budget is an OPERATING budget, not intended to tackle major, non routine upgrades.

But as any homeowner knows, those needs happen. We need major repairs to prepare the building for another 35 years. And delay only makes them more expensive.

We are the current occupants and we have an obligation. **The best estimate now is that the campaign over 3 years is \$400,000.** This will be a stretch for us, but faith brought us to this point in time. Looking ahead, with God's help anything is possible!

**Faith can shape our legacy. Many hands today can result in thoughtful, heartfelt gifts to assure the future.**

**Please give prayerful consideration to how you can return to God some of the gifts He has entrusted to you. We are caring for God's house —together.**

*Thank you!*

2022-2025 Campaign

### Our campaign focus

**Human Capital** —paying it forward beyond our own needs is the vital responsibility of the church

### Preserving the church

Improving **basic structure / energy efficiency**

- **New roof**—old flat roofs leak!
- **Stucco**— stucco cracks let moisture in, causing mold

Improving **health and safety**

- **A/C** —20+ yr old units are unreliable and inefficient
- **Parking lot**—repair or resurface — trip hazards
- **Flooring/carpets** — trip hazards

### Looking to the future

**Reserves** for next major replacements
