Caring for God's House - Together

\u8202

Matching is NOW!

News from the Capital Campaign

The Matching program is underway for the Capital Campaign!

Nathan's concert on Saturday May 25 is a wonderful example. Approximately 35 people attended, donating a total of \$465 to the parking lot/lighting project. Thank you, Nathan!! The music was awesome!

As part of the Extra Mile giving, funds from the concert will be Matched from the approximately \$30K in the seed fund. That \$30K was created by 13 donating households in or affiliated with the church. Thank you!

Building a new parking lot and improving the lighting are major safety issues, as we all know. Currently, the total cost is estimated at \$128K. The total estimate includes updating the parking lot lights (\$7,200) and repaving the entire parking lot (\$120K estimate). We now have about \$107K available toward the project. The PMT is confident with the funds received to date and will be getting updated bids on the parking lot by the end of June. Everyone who visits the church in the evening will be especially thankful for the new lighting. The church is busy every day and many evenings each week.

Anyone – everyone! – is invited to join in the Match program. It is a great way to make any gift have twice the impact on the parking lot project! All Extra Mile gifts will be received through Sunday July 14. If you donate by check, please write *Extra Mile* on the memo line or note that for cash donations. Please note, commitments to the parking lot Extra Mile project are not due until Sunday July 14th, so the numbers given may not reflect all that has been promised.

Are you willing and able to join the Match? Let's get the parking lot and the lights replaced and updated as soon as possible.

Unless the Lord builds the house, the builders labor in vain." Psalm 127:1
Thank you for your support!
