Caring for God's House - Together

\u8202

Our gratitude!!!

As Pastor Kathy's tenure at RRPC comes to an end, the Capital Campaign Committee recognizes the guidance she has given us throughout the process. We have Pastor Kathy to thank for her belief in our team and her guidance to the campaign.

She advised us when we had questions regarding how we should best approach our plans that might affect the many groups that use the church. She patiently and firmly reminded us of our congregation's generosity and the presence of the Holy Spirit within each

person that enters the building.

Her foresight helped us define the job of the Capital Campaign Committee and identified the need for a Project Management Team to oversee the projects. Pastor Kathy encouraged us to think "outside the box" as we determined the best way to achieve our fundraising goal for the repair and maintenance of this building while honoring the needs and concerns of our congregation and the community that uses this space.

Her levity and enthusiasm helped us look up and forward when we struggled, reminding us that with God and prayer all things are possible. She encouraged us to recognize and honor every contribution as an important part of the whole. Pastor Kathy was always available as a valuable resource to our committee.

Both the Capital Campaign Committee and the Project Management Team give Pastor Kathy a heartfelt ***Thank You!***
